## SENIOR REGISTERED NURSE & CLINICAL PRACTITIONER

♦ Clinical - Team Leadership and Development - Management ♦

Possessing over 21 years of clinical experience in an operating department of a busy NHS hospital. Undertaking a variety of roles: as an anaesthetic, advanced scrub, and a recovery and high dependency practitioner - working effectively with multidisciplinary teams and delivering high quality patient care. Over 7 years experience within departmental management (in the absence of the Modern Matron). Always enthusiastic in promoting education in the clinical area to improve and maintain high quality patient care.

## KEY MANAGEMENT AREAS OF EXPERTISE

- Departmental Management
- Resource Management
- Supervision / Discipline
- Formal / Informal Teaching
- Team Player / Leader
- Caseload Management: op sessions
- Trouble Shooting / Problem Solving
- Course Facilitator
- Change Management
- HR Issues
- Improving patient care
- PowerPoint Presentations

## PROFESSIONAL EXPERIENCE AND SIGNIFICANT ACHIEVEMENTS

### SENIOR SISTER

*1991 - Present*

#### NHS Trust A, Kent

Team Leader, Supervisor, Mentor and Counsellor as well as a Manager (on occasions - up to 65 staff). Working with the Line Manager within the Operating Department. Dealing with emergency and elective cases (bowel/gastric, urology, vascular, gynaecology, endocrine, breast, endoscopy, and trauma and orthopaedics; some of these surgical specialties also specialise in major laparoscopic procedures) 24 hours a day. Reporting to the Modern Matron and Directorate Manager.

- Communicating and collaborating externally and inter-departmentally regarding training, staffing, education, risk management, finance, resource management, technical issues and other HR issues.
- Developed close communication links with the University of Greenwich regarding training for pre and post registration, midwifery, NVQ students and operating department practitioner students. Also involved in yearly education audits.
- Involved in managing risk, such as facilitating yearly departmental audits, which is utilised as a benchmarking tool in setting standards of care, skills and safety.

#### Teaching and Presentations:

- Performed formal teaching sessions on "Safe Skills and Laparoscopy".
  - Compiled a "Qualified Staff and Healthcare Assistant" orientation programme.
  - Facilitated "Intravenous and Acute pain" study days. Rostered Health Care Assistants (HCA) into recovery and facilitated training.
  - Performed formal teaching sessions on "Regional Anaesthesia".
  - Facilitated a departmental audit and presented the audit tool to the Trust (benchmarking DoH).
  - Designed and presented a chart that highlights staff trained and competent in the use of equipment.
  - Overall responsibility for mentors and pre and post registered students.
-
